

Collaborative High Impact Grant Frequently Asked Questions

1. Can an organization be involved in more than one collaborative application? **Yes**
2. Do all members of the collaborative have to be a nonprofit? **No**
3. Are government agencies allowed? **Yes**
4. Are for-profit companies allowed? **Yes as long as the contribution is in-kind and no funding is awarded to that collaborative partner.**
5. If the collaborative can be a combination of nonprofit, government and for-profit companies, is there a requirement regarding how many of the collaborative partners must be a nonprofit? **No, but the Lead and Fiscal Lead Organizations must be non-profits.**
6. Are there requirements regarding how the grant dollars must be distributed among the collaborative partners? **No**
7. Can an organization be part of the collaborative without receiving grant funds? **Yes**
8. Are any collaborative grant funds allowed to be distributed directly to program participants? **Yes**
9. Must the past WFW grantee act as either the Lead or Fiscal Lead Organization for the collaborative? **No**
